

To: The American Legion Auxiliary Membership:

Each year the newly elected American Legion Auxiliary Department President selects a project to assist our veterans. I have selected the Veterans Adult Day Care Center at Central Veterans Health Care Center at Fort Roots. This program is only a few years old, but the need is great. It began with less than 12 and has grown to 48, with a long waiting list.

This program allows Veterans who need non-medical care, but that care is not medical but, the joy of living with their love ones as long as they can. We all know the longer we can live at home or with a love one the longer we will live, verses living in a nursing home where life expectancy is cut in half and can be a very lonely and depressing place.

I am asking for a \$5.00 donation to help provide services, so more veterans can go to this day care center.

In exchange for your donation I request a bumper sticker from your company, which I will proudly put on my car for the entire year of my presidency. I am having a message on the lower part of my back window, which is a SUV and will stand out "Proud Sponsors of the Fort Roots Veterans Adult Day Health Care Center", along with the American Legion Auxiliary Department Headquarters-contact number 501-374-5836. All donations are requested by Mr. Douglas Bowers, Chief Volunteer Service-Central Veterans Health Care Center at Fort Roots, goes to.

The American Legion Auxiliary Department of Arkansas
1415 West 7th St
Little Rock, AR 72201

Mr. Douglas Bowers requests the donations go directly:

1. For a special presentation event which will have media coverage to inform the entire state this program exists and to give each sponsor additional advertisement and a special thank you.
2. With donations coming to the American Legion Auxiliary Department Headquarters. I will receive your bumper sticker and funds will be kept separate from VA and instead will be placed in a special account at the American Legion Auxiliary Department Headquarters to be dispensed from there as needed.

As my year comes to an end each sponsor will receive an invitation to attend the presentation of all monies donated. So you can see this is a win, win for our veterans, statewide advertisement for your company as I travel across the state, plus additional advertisement at the presentation event. If for some reason you are unable to attend your company's name will be listed in the newspaper.

Please donate to this program and help extend the life of our veterans. They have given so much to us. Let's thank them by giving them a place to go each day to visit with their fellow veterans, a loving home with their love ones and peace of mind that they are not a burden, but our nation's most precious asset. After all if it were not for them we would not be living in the world's greatest nation we call the United States of America.
